Type area format:

On request

Ad Combinations:

The reduced combination special price for the combination of advertisements is based on comparison of separate advertisement bookings. To this end, the advertisements of an advertiser with an identical product/creation in the same format must appear in all magazines in parallel issues.

Native Ads:

Formats and prices for advertorials created by the editorial team on request. For more information, please visit bcn.group/en/channels/print/advertorials

Consecutive ads:

Surcharge on two or more adverts on consecutive partial-page ads: 10%.

Fixed placements:

Agreed fixed placements (e.g. first for a business line, commodity group, etc.) entitle the publisher to bill a placement surcharge.

Split-run advertising:

Please enquire for latest circulation information.

Split-run advertising according to Nielsen areas is only possible in straight magazine numbers after agreement. We reserve the right to reschedule in unforeseeable circumstances.

We try to fulfil placement requests within our structural possibilities. Definite placement confirmation cannot be made.

Printer's copy: See technical requirements at
<https://duon-portal.de/>

For sales operation reasons, the sales areas may differ slightly from the Nielsen areas.
